**Subject:** Optional details re Parcel G Workplan - which radionuclides in which circumstances  
**Attachments:** RBA background analyses from Draft Final Parcel G Work Plan\_110218.pdf; 2018-11-2 How many radionuclide test in Parcel G Workplan.docx

I think this is overkill for your purposes. I summarized for you in draft writeup I sent previously. But in case you want the details, see attached.
